

Dear Parent/Guardian,

START HERE. GO EVERYWHERE.

The purpose of this letter is to inform you that your student will take the computer-based Grade 5 Statewide Science assessment on **Tuesday, May 13**. The Statewide Science assessment is administered in one 160-minute session, but students may work up to the length of a typical school day. The results from this assessment will show how well your student has mastered the grade level science content standards, and you will be provided with information about how to access the results after testing is completed.

If you or your student would like to review the computer-based sample test items at home, the sample items, answer keys, and certain released tests are available at <https://flfast.org/families.html>.

Please review the following policies with your student before testing:

- **Electronic Devices**—Students are not permitted to have any electronic devices, including, but not limited to, cell phones, smartphones, smart glasses, and smartwatches, at any time during testing or during breaks (e.g., restroom), **even if the devices are turned off or students do not use them**. If your student is found with an electronic device or is found using Bluetooth/wireless headphones/earbuds during testing, his or her test will be invalidated.
- **Calculator Policy**—For Grade 8 Science, a handheld four-function calculator can be found within the testing platform. Calculator use is prohibited for Grades 5 Science.
- **Testing Rules Acknowledgment**—All tests include a Testing Rules Acknowledgment that reads: “I understand the testing rules that were just read to me. If I do not follow these rules, my test score may be invalidated.” Prior to testing, test administrators read the rules to students, and students acknowledge that they understand the testing rules by clicking a checkbox beside the statement in the secure browser indicating they understand the testing rules.
- **Discussing Test Content after Testing**—The last portion of the testing rules read to students before they click the box to accept the Testing Rules Acknowledgment states that because the content of all statewide assessments is secure, students may not discuss or reveal details about the test content (including test items and passages) after the test. This includes any type of electronic communication, such as texting, emailing, or posting to social media sites. Please make sure your student understands this policy prior to testing and remind them that “discussing” test content includes any kind of electronic communication, such as texting, emailing, posting to social media, or sharing online. **While students may not share information about secure test content after testing, this policy is not intended to prevent students from discussing their testing experiences with their parents/families.**
- **Working Independently**—Students are responsible for doing their own work during the test and for protecting their answers from being seen by others. If students are caught cheating during testing, their tests will be invalidated.
- **Leaving Campus**—If your student leaves campus before completing a test session (e.g., for lunch, an appointment), he or she **will not** be allowed to return to that test session. If your student does not feel well on the day of testing, it may be best for him or her to wait and be tested on a make-up day. Please remember not to schedule appointments on testing days.
- **Arriving Late** - If your student arrives late to school and testing for the day has already begun, school administration will determine a safe location for your student to wait until they can rejoin their class and testing concludes. Your student will then have the opportunity to test on a subsequent day within the state testing window.

If you have any questions related to this test administration, you may contact Amy Ursitti at 239-283-4511. For more information about the Florida Statewide Assessments program, please visit the portal at <https://flfast.org/fsa.html>.

Thank you for supporting your student and encouraging him or her to do his or her best during this test administration.

Sincerely,

Kevin Brown
Principal
