

BalGas Propane School Days Program

Dear CME Families,

Do you use BalGas Propane? CME can receive \$0.02 for every gallon of BalGas propane your company uses. Simply turn in your Community/School Days Receipt (you receive this with your invoice) to the front office. With your help, our school can earn up to \$2,000.00. It's that simple. Thank you in advance for your participation in this program.

Sincerely,

Jacquelin Collins

Principal
