

March 23, 2020

Oasis Elementary North Families,

I just wanted to provide you with an update on how learning will look as we find ourselves in the midst of COVID-19. We are in uncharted waters, but everyone at OEN is working diligently to make sure our students receive as much instruction as possible during this time.

For your child to participate in required online learning, your household must have a chrome book, tablet, laptop, or desktop computer (phones will work, but may prove difficult to use for school work). All learning will take place on the Google platform. Many students are familiar with this and have a Google account, so the transition should be fairly easy. On Monday, March 23rd, teachers will begin to plan the content that will be loaded into the Google classroom. All subject areas will be represented (possibly even some content from our Specials areas).

Once learning begins on **Monday, March 30th**, teachers will be available and online from 9am-1pm. You (or the student) can still contact the teacher either through the Google platform or email should you have any questions outside of these online hours. The front office is closed, however you can call between the hours of 8am-3pm. We are requesting that families do not come onto campus until further notice.

The School District of Lee County's Food and Nutrition Services Department will be serving a "Grab & Go" breakfast and lunch at selected schools and community sites. This program includes charter school students. Breakfast and lunch will be served together in a single bag. The meals are free for anyone under 18 years of age. Each child must be present at the pick-up location to receive a "Grab & Go" bag. The meals will be available for pick-up between from 9am and 11am at the following schools:

Cape Elementary
Hector Cafferata Elementary
North Ft. Myers Academy for the Arts
Patriot Elementary
Pine Island Elementary
Tropic Isles Elementary

As additional information becomes available, we will update you. Beginning on Monday, March 30th, the majority of your information will come from your child's teacher. Please be patient as we all work through this together. Stay safe and healthy.

Sincerely,
Kevin Brown
Principal
