Principal's Corner

Hello OEN families!

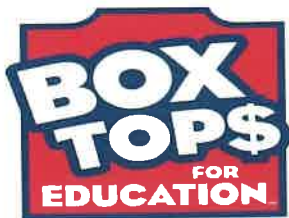

Welcome to the 2020-2021 school year! Things have started off great and everyone seems to be getting in the groove. While things are definitely different, we are all making the best of our new world. We certainly hope that your families are safe and healthy.

It's hard to believe that November is here and some of our Home Connect students will be returning to school in person. We are excited to "see" the students when they come back!

As always, thank you for your continued support of our school.
