

Parent Portal Registration

Welcome to the School District of Lee County Focus Parent Portal registration screen. This portal provides parents/guardians a real-time view of their child's grades and assignments. For the protection of your child's confidential information, we have created the following secure procedures for parents/guardians to register for a Focus Parent Portal account online.

TO REGISTER FOR A FOCUS PARENT PORTAL ACCOUNT, YOU WILL NEED:

Your Email address - The email address used to create your Focus Portal Account should be the one you have on file at your child's school. If you do not have an email account, you can create one for free at www.gmail.com. Be sure to provide your new/updated email address to your child's school so they can update your emergency contact information in the district's official system of record.

Your child's Student ID

Your child's Date of Birth

To create a Focus Parent Portal Account, parents/guardians have two options to register online:

OPTION 1: ONLINE REGISTRATION & AUTOMATIC ACTIVATION:

If you can provide your current email address on file with the district, your child's Student ID, Date of Birth, and the last 4-digits of your child's Social Security Number (if their SSN is on file with the district), you can register and activate your Focus Parent Portal account online by clicking the CREATE MY ACCOUNT link below. Providing this information during the registration process will allow the system to automatically verify your Focus Parent Portal account and give you with immediate access to your student's information.

OPTION 2: ONLINE REGISTRATION AT HOME & SCHOOL ACTIVATION

If you can provide your current email address on file with the district, your child's Student ID and Date of Birth, but do not know (or do not want to provide) the last 4-digits of your child's Social Security Number (or their SSN is not on file with the district), you can register for a Focus Parent Portal account online by clicking the CREATE MY ACCOUNT link below; however you will not have immediate access to your student's information. Instead, once you've registered, your child's school will verify your request and activate your account within 1-2 business days. At that time, you will be provided access to your child's confidential information via the Focus Parent Portal.

DO YOU HAVE MORE THAN ONE STUDENT IN THE DISTRICT?

Regardless of the number of students enrolled in the District, you only need to create one Focus Parent Portal account. If you have multiple children in the District, you can add additional students to your existing account by clicking the ADD A CHILD link below. Your child's school will verify your request and activate your account within 1-2 business days. At that time, you will be provided access to your child's confidential information via the Focus Parent Portal.

QUESTIONS?

If you need assistance with your Focus Parent Portal account, please contact or visit your child's school.

This year the School District of Lee County is transitioning our Back to School forms from paper to digital. No more filling out small white emergency cards by hand! Starting August 5th, the Directory Information and the Student Emergency and Health Information forms will be online and accessible through the FOCUS parent portal.
