Dear CME Families,

As you are most likely aware, there is construction surrounding the CME campus. We have been in contact with the City of Cape Coral and the engineers involved in the project. They have established traffic routes in and out of our parking lots. Representatives will be at Open House to provide parents with information (maps) and to answer any questions that you may have. For Open House, please park at Jim Jeffers and proceed to your student(s) classroom. While we understand that this is an inconvenience for all of us, your patience is greatly appreciated.
