

## LEGO Engineering Programs

**Bricks 4 Kidz** After-School Classes build on the universal popularity of LEGO® Bricks to deliver a high quality of educational play. Each class is a fun, enriching experience for your child. Kids build new projects each week in our stem BASED Lego Engineering class held here, at your child's school.

**Parents:**

1. After School programs are held at your school.
2. Once enrolled, you are committing to a 1 month program, meeting each week less Holidays/Closures, etc.
3. You must enroll for each month.
4. Payments are made online and must be made prior to 1<sup>st</sup> week of class
5. Appropriate behavior standards mirror hosting school.
6. Late fee's applied 15 minutes after class ends.

Enrollment limited to the first 20 students for each month.  
Enroll on-line  
**ONLY \$11.00 A WEEK**
