PARENT VOLUNTEER ROLE DESCRIPTION

Camp Invention Parent Volunteers are an integral part of a successful implementation of Camp Invention and can be instrumental in spreading the word about the program on a local level. The Parent Volunteer position provides a rewarding experience for those who want to assist the Camp Invention Director at a specific Camp Invention location in their community.

Our best Volunteers are:

- Flexible, creative, and enthusiastic
- Parents or friends involved in their children's extracurricular or community activities
- Interested in ensuring the success of a nationally acclaimed enrichment experience in their community
- Genuinely interested in extended learning opportunities for children in their community
- Invested in their child's education

Volunteer responsibilities include:

- Assist with sign-in and sign-out
- Assist in organizing the Inventor Supply Room
- Assist Director in module activities as needed
- Assist with setup and clean-up
- Enthusiasm for the program

Note: All Parent Volunteers must complete an online agreement to participate in Camp Invention.
